Dear parents,

Summerbridge Hong Kong

Summerbridge Hong Kong (SBHK) is a non-profit tuition-free, summer and after-school enrichment program that helps young students strengthen their English and leadership skills, build their self-confidence, and view learning as a lifelong process. A Summerbridge student must commit to the program for 14 months - Form Two and Form Three summer. This includes two summer programs and the school year program during Form 3.

If your child is admitted, you just have to pay HK\$350 to cover part of the lunch fees in summer while the rest of the program (including tuition fees) is free.

Please encourage your child to join this English enrichment program by filling in the reply slip below and returning it to the class teacher on or before the 1st March, 2021.
